VALDITARO CONTRACT 8

VALDITARO

Core Business
Valditaro is a Portuguese lighting company specialising in the development and production of both modern and classic decorative lighting. By integrating different materials, such as ceramics, wood, brass and textiles, Valditaro meets the ever changing demands of trends within the global interior decoration market, using both new and traditional finishing processes, with knowledge and artisan expertise inherited from ancient generations.

Quality
Ever since 1988, Valditaro has been operating in both national and international markets, holding as it´s main mission their client's full contentment. The strict accomplishment of the EN-60598 standard, the production follow-up and quality control help guarantee our clients a quality product.

Diversity
Globally controlling the chain of value of the product, Valditaro assures the client a continuous supply of innovation and development. Our skilled craftsmen work with many different kinds of materials, integrating them and finding the best technical and aesthetic solutions. This inspirational and prolific approach results in a large portfolio, with ideas and solutions for several market segments.

Service
Our future depends on our client's complete satisfaction. We don't want to be only a manufacturers; we want to become business partners.

VALDITARO

Vocação
Valditaro é uma empresa Portuguesa especializada no desenvolvimento e produção de iluminação decorativa. Integrando diferentes materiais como a cerâmica, a madeira, o latão e os têxteis, Valditaro adequa as tendências em decoração de interiores aos processos tradicionais de acabamento, herdados de anteriores gerações.

Qualidade
Desde 1988 que Valditaro opera no mercado nacional e internacional, tendo como missão a Plena Satisfação do Cliente. O cumprimento rigoroso da norma EN-60 598, o acompanhamento em produção e o controlo de qualidade garantem ao nosso cliente um produto de qualidade.

Diversidade
Através do controlo da cadeia de valor do produto, Valditaro assegura ao Cliente um processo contínuo de inovação e desenvolvimento. Trabalhar diferentes materiais, integrá-los e encontrar as melhores soluções técnicas e estéticas. Resultado: um portfólio abrangente, com ideias e soluções para vários segmentos de mercado.

Serviço
O nosso futuro passa pela satisfação do nosso Cliente. Não queremos ser apenas fabricantes, gostaríamos de ser parceiros de negócio.
